

Remnant Sale on Saturday

Another Chance to Get Them!

On Saturday we place on sale a big collection of remnants that have accumulated in the Wash Goods Department. The Remnant Sale last Saturday was a decided success—so much so that we are going to give you another opportunity.

This sale includes remnants of Dimities, Muslins, Organ-dies, Voiles, Suitings, White Goods and Gingham, containing from one to fifteen yards. We have placed these remnants on a center counter and marked them at a small fraction of their real value. We want you to examine these remnants during the week.

They're Smart.

White and Fancy Vests are always smart. Tasty dressers are buying lots of them. The Vest and the Scarf are the only features of man's attire that might be termed ornamental. They serve to brighten up man's appearance and break the monotony of his usual sombre attire. We are showing an entirely new line of White and Fancy Vests, and the patterns are exceedingly handsome. We have styles and grades to **suit any fancy**. They are not expensive—in fact we will surprise you with the amount of dress elegance we can provide you with for a small expenditure.
